Suzuki Flutes by the Sea 2009!

Suzuki Fluit Vlaanderen vzw is delighted to invite you to attend *Suzuki Flutes by the Sea 2009!* at Youth Hostel De Peerdevisser, Oostduinkerke at the Belgian Coast.

This modern Youth Hostel (www.peerdevisser.be) is just a ten minutes' walk from the beach.

Oostduinkerke is a district of Koksijde and offers you a lot of tourist attractions. Combined with our Suzuki Flute Workshop, a fantastic musical workshop for the whole family is guaranteed.

Participants

All Flute players who have studied the Suzuki Flute repertoire are invited to join us in master classes, group lessons, choir, chamber music and daily informal concerts...

The course begins with a play-in at 11 AM on Wednesday 29th July and finishes with a concert after lunch on Sunday 2nd August. Everybody is welcome as from 10 AM on Wednesday 29 July.

A teacher is available for siblings playing the violin, the viola or the cello.

All repertoire will be played from memory. All siblings are most welcome to the orchestra and/or choir.

To all other musical creative members of the family: don't forget to bring your musical instrument with you.

Students under 13 must be accompanied by an adult who will be responsible for them.

Participants aged 13 and over are allowed without parental accompaniment under strict conditions.

All parents will get regulations in duplicate which they will have to sign and mail back to SFV vzw.

Youngsters without accompaniment will stay overnight in rooms with more than 2 beds (boys & girls sleeping apart)

There will be an opportunity for professional Flute Teachers who have already begun Suzuki Teacher Training, to do exam on Tuesday 28 July. Location, timetable and exam fee will follow later on...

Teacher Training (TT) will be organised for trainees from level 2 up. There will be discussions open to all Teacher Training levels and further opportunities to observe master Suzuki Teachers in action.

If other professional flute teachers have an interest in Suzuki philosophy and its application to flute teaching, There will be a one-day course (Friday 31 July) which provides the basis for any future training in Suzuki teaching.

There will be opportunity for observing experienced Suzuki teachers in the morning and the seminar will take place in the afternoon.

We also offer the opportunity to Flute teachers to observe the lessons and concerts by the children during the whole workshop, combined with the one-day introduction course.

Non-professional flute players will only have the opportunity to observe flute lessons and concerts.
